Work experience

Product Designer

MyOffice / Apr 2024 – Jan 2025

As part of a large design team, I contributed to the development of desktop applications for office editors (MyOffice Text, MyOffice Spreadsheet, MyOffice Presentation). Collaborating closely with business and system analysts, developers, and QA engineers, I was involved in the full product development cycle – from research and analysis to implementation reviews.

Experience Designer

EPAM Systems / Mar 2021 – Jan 2024

Working in an outsourcing environment allowed me to participate in a wide range of diverse projects, including:

- Creating a design system for a restaurant search and booking platform
- Research, rebranding, and ongoing design support for preboarding and onboarding platforms
- Reports and dashboards for the analytics team
- Participation in presale activities

Experience Designer

OLIMP / Sep 2020 – Mar 2021

- Web design
- Complex infographics
- Illustrations

Education

Master's degree, Human Computer Interaction

ITMO University / 2020 – 2022

Bachelor's degree, Software Engineering

Peter the Great St. Petersburg Polytechnic University / 2016 – 2020
